

WHO WE ARE

Welcome to The Fresh Crust Pizza Company. We are a small team of dedicated Pizza enthusiasts, with over 25 years' experience in the Industry. We are delighted to be serving you today and hope to do so again soon.

WHAT WE DO

Our aim is simple, to provide you with great tasting Pizza. If you're happy, then we are too!

HOW WE DO IT

Our Pizza dough is prepared daily using the finest ingredients, hand stretched to the perfect thickness (between thin and deep) and cooked to perfection.

We offer a great range of toppings, including our Specials range and of course all the Classics, or you can build your own from a selection of toppings, making your Pizza experience truly special. All Pizza's start with a margherita base (unless otherwise stated), using our homemade classic Italian tomato sauce, herbs and mozzarella cheese.
